

BEAR FIGHT

AMERICAN SINGLE MALT WHISKEY

45% ABV
(90 Proof)

Aged for a minimum of 3 years

Inspired from traditional Scotch makers, their attention to detail, and balance of flavor profiles through careful control of the maturation and finishing process. We utilized a distinctive copper pot still method, first-fill sherry casks and peat-smoked American oat to create a sophisticated whiskey that stands apart which drinkers can appreciate.

TASTING NOTES

Pecan, red apple and honeysuckle on the aroma, dried fig, black currant, and candied date in the midrange, with sweet sherry and just a hint of Islay-style peat smoke on the finish.
